PUBLIC COMMENT

Mary Ziebell stated that there has been drinking and drug use at Breconshire Park. The park did have use and now there is not as much and if the park had more use that maybe these things would not be happening. The neighbors that surround the park would like to be the loop of what is happening there as well.

Park Commission members acknowledged receipt of the minutes for the Park Commission meeting of June 13, 2016. Motion by Neal Weibelhaus to approve the minutes and waive the requirement of reading same, second by Bill Borghoff, motion passed, unopposed.

UPDATE FROM VOLUNTEER SOCCER COORDINATOR

DISCUSSION: There have been 241 registrations for the 2016/2017 season. There are less teams, 22 this year, but the teams are full to make sure that there are enough kids to play in case some don't participate. The Soccer Committee is working on getting some more volunteers to help, they would like another two or three people. Uniforms are in the process of being ordered.

DISCUSSION POSSIBLE USE AT BRECONSHIRE

DISCUSSION: There has been some discussion as to what could be done at Breconshire Park. Dog park, fit trail, etc. Karina Stuke was here to discuss the possible use as a "Fit Trail". Christopher Johnson did some measurements at the park and felt we could put in place a ¼ or ½ mile loop with no problem. Karina said a stop could be made every 10 to 15 feet, with about 10 stations for this site would be a good fit. This fit trail could be use by beginners and hard core athletes as well. This could take about \$15,000 to get the fit trail started. The Park Commission will get an article ready for the next Village newsletter to ask residents what they would like to see at the park.

JOB'S FOR CHRISTOPHER

DISCUSSION: Trash cans are needed for the park and cannot be made with all the things that have to been done in the Village. They need 30 cans, 20 trash and 10 recycling. The proposed cans have a space on them that we could sell a logo for a business. Christopher is going to attend the Wales Business group meeting on Friday, July 15, 2016 to see if there would be any interest in doing this. In the meantime Chris should order 10 cans with the Village logo on them. The park walk-through will happen on Monday, August 1, 2016 starting at the Community Building at 5:30 p.m.
